

Overview

The Lifestyle™ Wardrobe Door comes in a selection of appealing finishes and are available with full length mirrored panels, easy to clean vinyl coated gyprock and plain or timber veneer panels, adding that final touch of elegance to any room.

But there's more to our design than just good looks. Lifestyle™ wardrobe doors are designed to suit a large variety of installations. They can be used in bedrooms, entertainment areas and laundries or even as room dividers.

The doors have a slim-line frame to maximize your wardrobe space. They also incorporate a special full length buffer strip which stops them closing with a bang.

In addition, quality hardware components are used in the Lifestyle™ range because we believe in providing you with products which will meet high standards of quality and durability.

Features

- Accepts glass thickness from 6mm – 6.38mm
- Buffer strip to reduce closing noise
- Adjustable acetal rollers for smooth opening
- Attractive slimline frame
- Available in various powder coat and anodised finishes
